

DELHI POLICE PUBLIC SCHOOL

Class V

2024 - 2025

Dear Parent,

It's once again time for summer vacation!!!

Children are reservoirs of potential which needs to be tapped and channelized in diverse ways. We, at Delhi Police Public School feel that it is very important to fire their imagination and foster an outlook that helps them explore, discover and rediscover. Children should be encouraged to develop intellectually and physically.

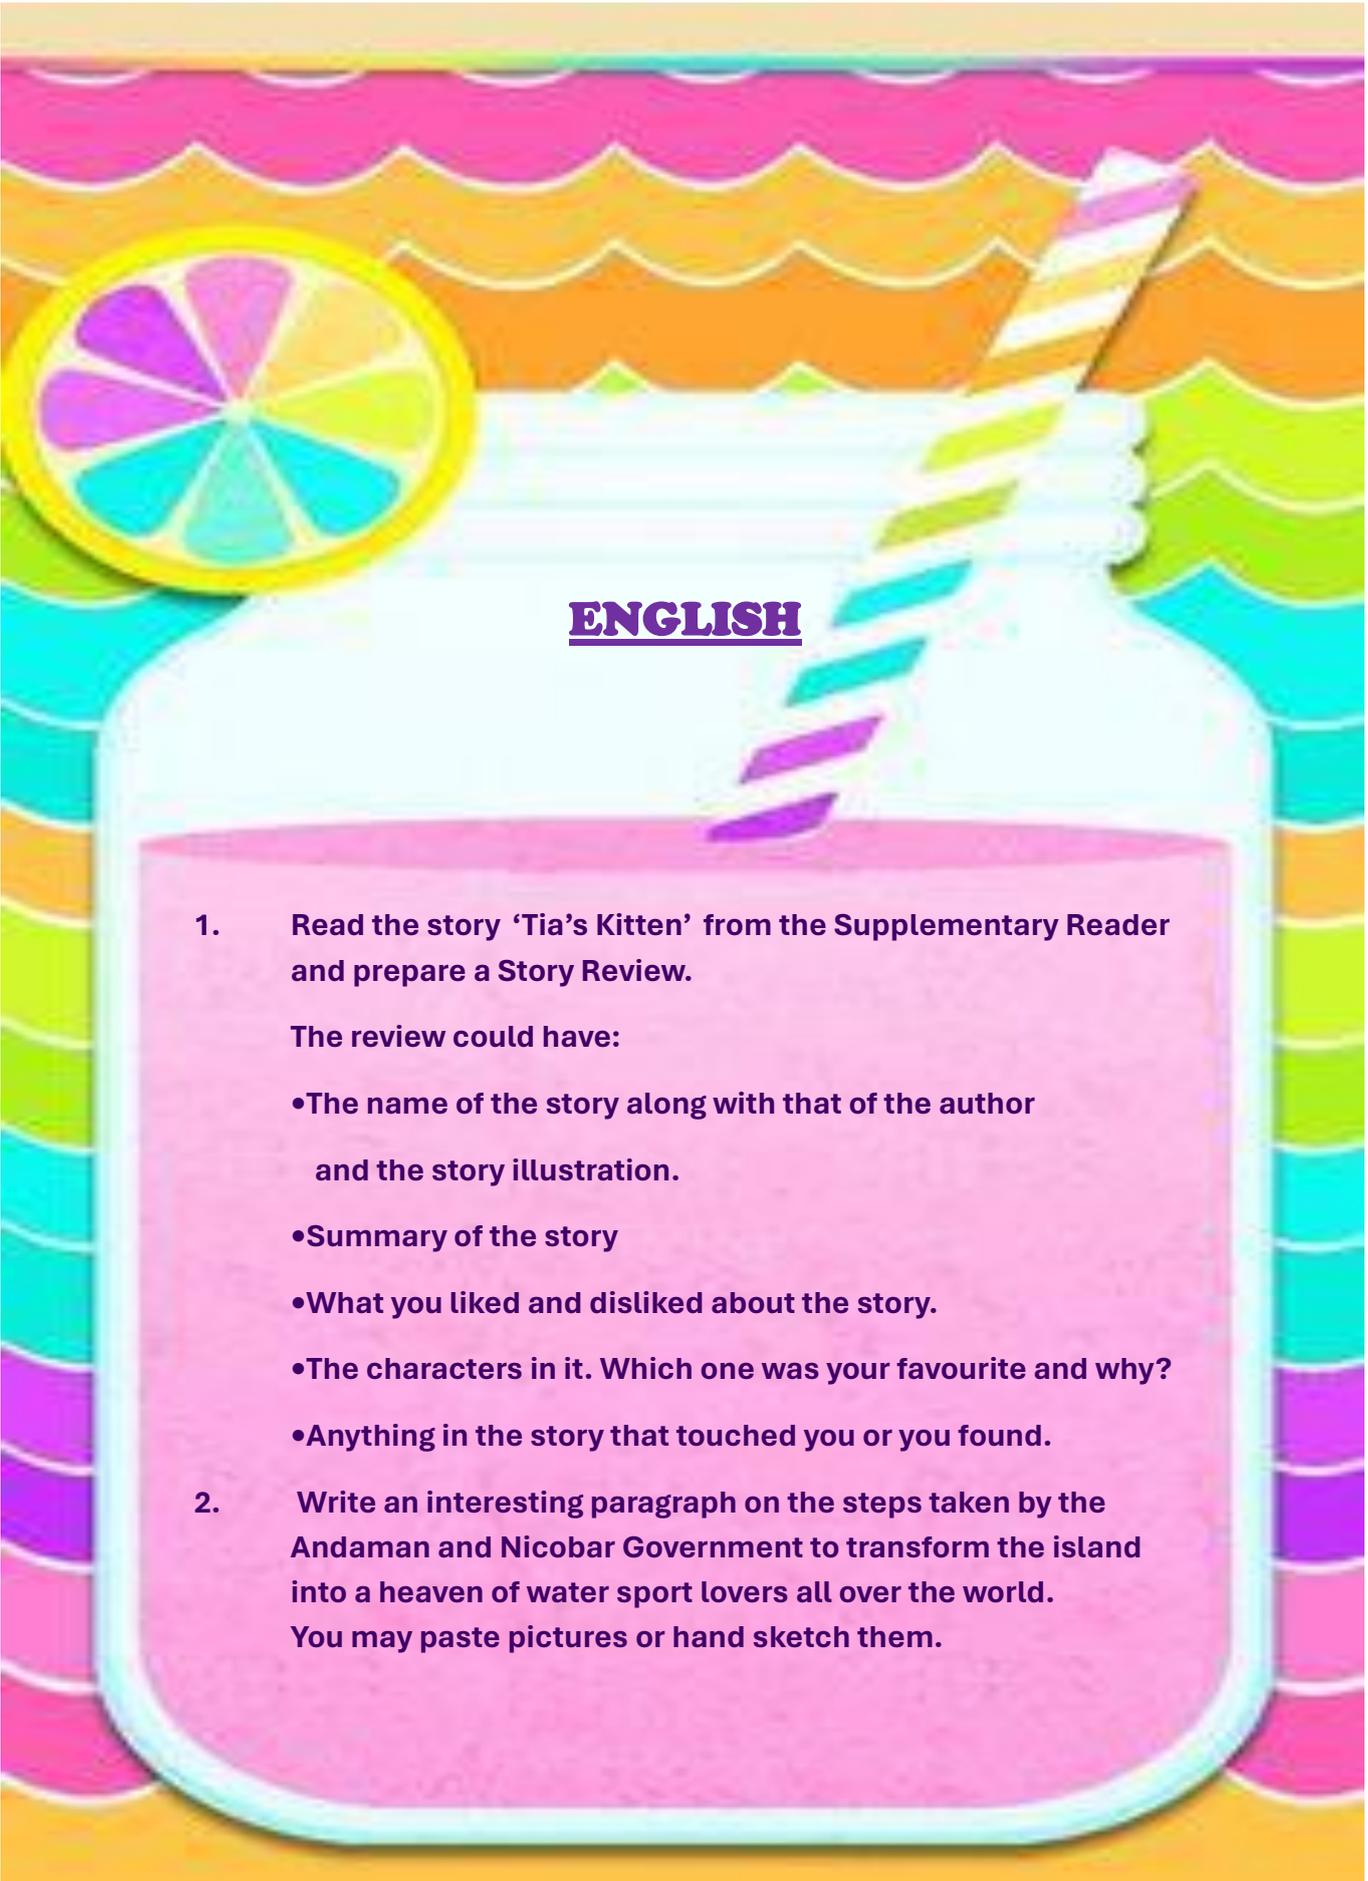

Summer Vacation is the best and the most fruitful time for learning and for nurturing creativity.

It is the time when you can connect with your child in many ways.

A few suggestions that may be used to connect with them are:

- Spend quality time with your children.
- Help children become independent by giving them responsibility.
- Involve them in small household activities.
- Inculcate in them good manners and healthy habits.
- Converse with your children in English.
- Encourage your children to read books to enhance their language. Reading will also boost their interpretative skills and provide them valuable literary experience.
- Cultivate sportsmanship and fitness by encouraging your children to play various indoor and outdoor games.

So, spend these holidays creating a nurturing and stimulating environment filled with joyful learning!

ENGLISH

1. Read the story 'Tia's Kitten' from the Supplementary Reader and prepare a Story Review.

The review could have:

- The name of the story along with that of the author and the story illustration.
 - Summary of the story
 - What you liked and disliked about the story.
 - The characters in it. Which one was your favourite and why?
 - Anything in the story that touched you or you found.
2. Write an interesting paragraph on the steps taken by the Andaman and Nicobar Government to transform the island into a heaven of water sport lovers all over the world. You may paste pictures or hand sketch them.

HINDI
