

DELHI POLICE PUBLIC SCHOOL
HOLIDAYS HOMEWORK(2024-25)

CLASS :- VIII

The much-awaited summer vacations are here. It's time to relax and rejuvenate; to indulge in reading beyond the text book and to explore one's myriad interest. Holiday homework is an attempt to channelize the creative energy of the child and if it's done with a right spirit, it will turn into a great learning experience. It is rightly said, 'Disconnect to reconnect'. So, let's disconnect for a while from the school but mind it not from your studies. So, to keep you a little engaged here comes your holiday homework.

English

1. ART INTEGRATED PROJECT-

Read interesting facts about Andaman and Nicobar Islands and prepare a crossword puzzle on A-4 size sheet. (minimum 15 questions). Write the questions on the flip side of the page as ACROSS and DOWN. Make it colourful and pleasing. You can even doodle your A-4 size sheet.

2. NOVEL-SUBJECT ENRICHMENT ACTIVITY

Read the novel, 'The Secret Seven' by Enid Blyton. Make a book Jacket. Mention the name of publisher and its price on the back. Write 20 difficult words you come across while reading, on the front and the back flap of the jacket.

3. On an A-4 size sheet write about your favourite destination in prose or poetry in 120-150 words/ 15-18 lines.

4. Apart from this, complete the worksheet and revise whatever has been covered in English so far.

5. Please note: Put your work in a hand made folder/readymade folder with your name, class and section outside the folder.

हिंदी

1. लक्षद्वीप एवं अंडमान निकोबार द्वीपसमूह की जनजातियों, एवं वहाँ के लोकनृत्य की सचित्र जानकारी। (A-4 आकार के पृष्ठों पर करें)
2. लक्षद्वीप एवं अंडमान निकोबार द्वीपसमूह की संस्कृति एवं इतिहास के विषय में जानकारी प्राप्त कीजिए।
3. कवि रामधारी सिंह दिनकर की कोई एक कविता कंठस्थ कीजिए।
4. ग्रीष्मावकाश में भारत की खोज पढ़िए और दिए गए कार्यपत्रक के उत्तर लिखिए। (उत्तर पुस्तिका में)

नोट:- उपर्युक्त कार्य आंतरिक मूल्यांकन के अंतर्गत जाँचा जाएगा।

संस्कृतम्

✿ लिखित-कार्यम् :

1. सर्वनामशब्दरूपाणि -
तत्, किम् (त्रिषु लिंगेषु),

3. लटलकारे धातुरूपाणि स्मरत एवं लिखित अभ्यासं कुरुत।

MATHS

India is rightly said to be the land of varied geographical features. Just like there are mountains, plateaus, valleys, and plains, there are coastal plains and beaches in abundance. Andaman and Nicobar Islands and Lakshadweep are often pitted against each other since they exhibit similar forms of scenic beauty and landscapes. Both these destinations have emerged to be top tourist destinations among travellers. Often people get stuck between the two while choosing which one to visit. Taking a trip to these islands will be an experience in itself.

Collect data of fare of means of transport from Delhi to Andaman-Nicobar island per person

(In Rs) and represent it in the

#Tabular Form and

Graphically (Bar Graph)

• Presentation should be colourful and pictures of mode of transport should also be made or pasted on A4 sheet.

Prepare an estimated budget for your vacation assuming a stay of 5 days.

SCIENCE

The Andaman Islands are the Indian Archipelago in the Bay of Bengal. These Islands are known for their palm-lined, white-sand beaches, mangroves and tropical rainforests.

“Coral reefs: True treasures of the Andaman Island”

This emerald archipelago is an underwater paradise teeming with marine life, from schools of fish to magnificent coralline formation.

Present a Project Report/ Power Point Presentation (PPT) on the formation of corals and compare the growth of algae found in Yamuna River of Delhi with the island water bodies of Andaman /Nicobar.

(Present your comparative report in 3-4 pages/ PPT with 6-8 slides with colourful pictures of corals and algal growth)

- i) What are corals?
- ii) What are important features and characteristics of corals?
- iii) How are corals so colourful?
- iv) Name and explain the symbiotic relationship of corals with the algae microorganism.

v) Compare the characteristics of symbiotic algae in corals with that of algae grown in Yamuna River.

**** NOTE: Mention Heading of the AIL project and Name/ Class on the First slide of PPT/ page of Project Report**

SOCIAL SCIENCE

A. Prepare a **Travelogue or travel Brochure** on the topic **“THE ISLANDS OF INDIA ”** i.e. (Lakshadweep & Andaman and Nicobar island or Lakshadweep) depicting the various aspects of any of these two island groups . The Travelogue or Brochure should include the following headings: -

- Map of the island
- Lives of the people living on these islands (culture and food)
- Important tourist spots
- Historical backgrounds
- Language spoken
- Tribal History
- Best time to visit
- How to reach and cost of travelling per person etc
- Unique facts (like as coral islands, Barren island with active volcano of India)
- Feel free to include many pictures/ images/ maps to make it interesting.

Guideline to make the project.

- The project should be handwritten on the light colour size sheets only.
- Add pictures and newspaper cuttings to support your holiday homework .
- The Home work must have the following details **(Name, Class & Section of the student & Index.**
- **Do not use** glitter pens & Red & Green colour pens.

COMPUTER SCIENCE

Make a two-minute movie on **YOGA/TRADITIONAL DANCE FORM -**

Suggestions:

- SURYA NAMASKAR
- BHARATANATYAM
- KATHAK

OR

Make a poster on how to be cybersafe on any word processor or on a A4 size sheet (using paper and different colours)

Note:

- Movies making and word processor file need to brought in a pen drive/CD

- Movie making activity can be done as an individual or in group of 2-4 students

**** Enjoy your vacations**
