

HOLIDAY HOMEWORK CLASS II

“Summer vacation is a time to recharge , explore and have fun”.

Dear Parents

Summer vacation is a time for you and your children to enjoy and spend time together, and create lasting memories.

Remember, it is also a time to learn and grow. During this vacation, engage your children in activities that will stimulate their minds, build their physical abilities, and broaden their horizons. So, let's make the most of this time together and have an amazing summer vacation!

English

1. Paste pictures of famous food of Andaman and Nicobar Island and label them. Count the number of vowels and consonants in each name and write them under the names.

2. Picture Composition on A- 3 sheet

• Paste a picture (or draw one) and write 4-5 sentences about it. Example topics: A Park, A Birthday Party, A Day at the Zoo.

3. Make a separate notebook

- Do half a page of handwriting for 15 days
- Learn and write 10 new English words you found while reading. Use each word in a sentence.
